

## Cookies policy

This site uses cookies – which are small text files that are placed on your machine to help the site provide a better user experience.

In general, cookies are used to retain user preferences, store information for things like shopping carts, and provide anonymised tracking data to third party applications like Google Analytics.

As a rule, cookies will make your browsing experience better. However, you may prefer to disable cookies on this site and on others. The most effective way to do this is to disable cookies in your browser. We suggest consulting the Help section of your browser, or taking a look at the [About Cookies website](#) which offers guidance for all modern browsers.

Our cookies don't store sensitive information such as your name or address. However, if you would prefer to restrict, block or delete cookies from firstcomeurope.co.uk, or any other website, you can use your browser to do this. Each browser is different, so check the 'Help' menu of your particular browser (or your mobile phone's handset manual) to learn how to change your cookie preferences.

Most web browsers are set to automatically accept cookies as the default setting. However, if you use your browser settings to block all cookies (including essential cookies), you may not be able to access all or parts of our website.

If you have any questions or concerns about our cookies policy, please feel free to email us at [info@firstcomeurope.co.uk](mailto:info@firstcomeurope.co.uk).
